

NEW UNIFORM POLICY

The Conservatorium High School's uniform is undergoing some modifications to remove seasonal variations and better harmonise the overall appearance between boys and girls.

Pages 1 & 2 contain details of the new uniform. It is being phased with a view to ensuring all students are in the correct uniform for the school's centenary year, 2018.

For your reference, p.3 lists the old uniform policy. Students may continue wearing the old uniform but they are well advised to start making the necessary changes before the end of next year. Please note the one change to Performance Uniform: skirts are no longer permitted. Sports Uniform remains unchanged.

All items are to be purchased from Pickles Schoolwear.
